Tuition-Free Early Childhood Education (ECE) Dual Credit Classes

Saskatchewan high school students can get an Early Childhood Educator (ECE) Level I with just three tuition-free dual credit courses from these three post-secondary institutions:

[Saskatchewan Polytechnic](#)

[Carlton Trail College](#)

[Suncrest College](#)

Dual credits allow you to simultaneously earn Saskatchewan high school credit and Saskatchewan Polytech credits and explore educating young children. Learn more by scanning the QR code below.

A certified ECE Level 1 receives the ECE Wage Enhancement grant and makes, on average, \$20.31 per hour in Saskatchewan.

Qualify to earn a wage top-up and work part-time or over the summer at a regulated child care centre.
