HAPPENINGS AROUND THE HAMLET

Hillmond 4-H Club Report

by Gracy Hewitt

This year's Hillmond 4-H club has 36 members in beef, sheep, swine, light horse, and archery projects. The club held its organizational meeting October 6th, 2025.

The club has 21 members with beef projects this year, including 19 steer projects and 7 heifer projects. They met at Hougham's on December 6th to weigh their animal and learn more about feed nutrients and rations. Members are enjoying working with their animals, preparing them for Achievement Day, and the 4-H expo show & sale held at the end of May.

In Archery, there are a total of 7 members. They meet once a month to practice their archery skills and plan to attend the Battle River Archery 3D shoot in February! All members will compete again this year at the Expo show in Lloydminster.

Swine is a new project to Hillmond this year with a total of 5 members. All pigs are born now and doing well. They are having their first meeting at the end of the month and will be learning about swine nutrition, castration and showmanship.

The sheep project has 10 members. Lambing year has begun and they will hold their first project meeting in February.

The light horse club has 7 members. They have had a couple riding days so far, working on the importance of leg pressure and how it is valuable in every sport they do with their horse. They will continue with their riding days when the weather cooperates!

In November, the Hillmond 4-H club visited the OB colony for a tour and enjoyed their time learning about the dairy farm, mechanical shop, and other stock animals. A big thank you to the OB colony for your time, it was a great experience!

Members have been doing lots of volunteer work including the parade of lights in December, and crib tournaments held at the Hillmond Hall- next one will be held on March 29th.

The club had their annual Christmas party at the Paradise Hill bowling alley on December 29th and had a wonderful time.

The club's public speaking will be held on March 1st at 2:00 PM at the Hillmond Hall, everyone is welcome to attend!

Members have been working hard in their projects and are looking forward to Achievement Day and Expo weekend, which will be held May 30-June 1 at the Lloydminster Exhibition Grounds. Hope to see you there!
