To Whom It May Concern,

The Lloydminster & Area Brain Injury Society is a local non-profit organization which provides programming, support and resources for brain injured persons and their families. Now in existence for 40 years, LABIS continues to strive to expand and offer this one-of-a-kind free service for brain injury survivors, their families and caregivers.

It is our Society's mission to empower brain injured individuals to embrace life by providing socially interactive programs and varied services. To continue offering these programs and services in our community, we rely on the generosity of individuals and businesses for support. Generous donors like you are the key to our organization's success and make it possible for LABIS to continue to provide local individuals and their families with assistance in their daily lives.

We have our Spring online auction fundraiser running April 13th-20th that we are seeking items for. We are reaching out in hopes that you will be generous enough to donate some items for the auction.

Any contribution or donation of any kind would be greatly appreciated. And know that it is because of this generosity that makes a difference in our community and allows the Lloydminster & Area Brain Injury Society to continue offering programs.

A tax-deductible receipt will be issued for any donation over the amount of \$10.00. Cheques may be payable to LABIS.

We thank you for taking the time to read and consider our request.
