CALLING FOR FAMILY RECIPES

Thanks to a generous grant from Co-op, we are creating a school/community cookbook!

We are collecting recipes throughout May & June.

- ☑ Send up to 10 recipes
- ☑ Each recipe will include your name
- ☑ Great keepsake for families and our community!

Please use the attached recipe sheet.

Hand in recipes at the office or email:

HAPPENINGS AROUND THE HAMLET

What is the SOLE-stice Classic?

The “SOLE-stice Classic” is a series of meets designed for young athletes to get involved in running, jumping and throwing competitions. This program is being sponsored by Aboriginal Track & Field of Saskatchewan and Saskatchewan Athletics.

The term “SOLE-stice” comes from the idea that the “final meet” will be held near the longest day of the year. The meets are geared for younger athletes who may not get many opportunities to compete against others their age in their region or from across the province.

How Kids Benefit

Participants can run, jump and throw in an event that stresses FUN rather than competition. For some participants, the program offers an opportunity to refine their natural abilities. For others, it may be the spark that ignites their interest in an activity that is mentally, physically and socially rewarding.

Who Can Participate?

Boys and girls between ages 8 to 13.

Age group classifications are determined by the participant's **Year of Birth**.

Meteors (Born 2017-18)

Comets (Born 2015-16)

Stars (Born 2013-14)

To get involved; select the regional meet nearest to where you live (www.solesticeclassic.com). Then complete the online entry process. Note that some of the Regional meets will be accepting on-site registration. The best part is that no entry fees are charged to participate. The participants finishing in the top 3 from the regional meet then advance to the Provincial meet held in Saskatoon on June 20th at the Saskatoon Fieldhouse (2020 College Drive)

Events offered:

Meteors – 50m, 100m, Standing Long Jump, Ball Throw

Comets – 60m, 150m, 600m, Long Jump, Ball Throw

Stars – 80m, 150m, 800m, Running Long Jump, Ball Throw

Wheelchair – 50m, 150m, 400m

Meet t-shirts will be provided for each participant at the Provincial Meet to be held in Saskatoon, June 20, 2026, Saskatoon Fieldhouse, 2020 College Drive.

Highlights of the Program

This program is very grass roots in nature. Some of the key features are:

1. No track spikes or shoes designed for spikes or shoes with cleats of any kind are allowed in any event. Competitors **must** wear shoes.
2. No starting blocks are allowed.
3. No fees are to be charged at any level.
4. The emphasis of the meets is to have fun while getting young athletes to be active through fun competition.

How Do I enter?

To get involved; select the regional meet nearest to where you live. Then complete the online entry process. Note that some of the regional meets are accepting on-site registration prior to the start of the meet.

Ticks

Key Facts:

- Ticks are arachnids, relatives of spiders, mites, and scorpions.
- Ticks can live in wooded areas, bushy fields, and virtually anywhere around your home.
- Ticks can survive on the blood of their hosts.
- Ticks can spread disease among animals and humans.

Where to Check for Ticks

HOW TO REMOVE A TICK

Sanitize bite area and tweezers with alcohol

Grab tick close to head

Pull up slowly and carefully

Sanitize bite area again

WHAT TO DO AFTER VISITING A KNOWN TICK AREA

Heat clothing in dryer

Search body for ticks

Check children

Check pets
